David – you should have just asked me about this when I was on the phone with you...

Here's what I told CD3-

I don't have a program / agenda and the folks who are managing that are out today. Is it ok if I get it to you tomorrow?

But basically, it's a low key reception. At some point (approx 6:15 was the last time I was told), the various electeds will be called to the stage for intro's. No speaking part for your boss (at least not as of earlier this

week). In short, he just needs to show up, be his usual charming self, go on the stage when beckoned, and then (we hope) stay around a little longer.

I'll get you confirmation of the times and (no) speaking role Tuesday.

Thanks (and is anyone accompanying your boss?)

John
